Dear Devin,

Thank you for your outstanding performance at Administrative Professionals Day 2010.

We heard such positive feedback from the audience and part of that credit goes to you. The audience loved your energy, enthusiasm and humor. "Schmooze'em or Lose'em" was a perfect way to wrap up the day. Thank you for demonstrating the art of schmoozing in order to overcome conflict and build lasting relationships with the people around us.

Each year we strive to bring the very best speakers and topics to our attendees and this year was no different, you were a perfect choice and a vital part of making this day a huge success. You were delightful to work with and I will not hesitate to recommend you to others.

Thank you for helping the 22nd Annual Administrative Professionals Day exceed our expectations!

Best regards,

Staci
