

Introduction

(For bringing Devin to the stage)

Devin Henderson is an award-winning comedian and has opened for Mike Birbiglia and Sinbad, mainly because he likes to open for comedians with weird names.

He has 150 views on YouTube! And that's just sad, so please watch his YouTube videos.

Devin has performed in all 50 states except Hawaii, and Alaska...and like 18 others.

Please give a warm, welcoming, courtesy round of applause for DEVIN HENDERSON!

Bio

(For pre-event promotion)

DEVIN HENDERSON, Comedian.

Devin Henderson has been making audiences laugh for over a dozen years. Recently, he placed third out of forty plus people in Kansas City's annual "Clash of the Comics" at the Kansas City Improv Comedy Club. Devin is a father of 5 and a pain in the neck to the world's most beautiful bride. He spends a lot of time braiding Barbie's hair and drawing unicorns on the Etch-a-Sketch, and sometimes he also plays with his kids. Devin's comedy is clean with no naughty words, and is based off his observations as a family man, entrepreneur, and amateur ukulele artist. He wrote this bio himself, which is challenging and actually kind of weird.
