

DEVIN HENDERSON

RIDER

MICROPHONES

- Please provide 1 cordless handheld microphone with a stand on the stage. Microphones attached to lecterns will not work.
- If only a corded mic is available, the cord must be long enough to reach every part of the stage.

STAGE/SEATING

- If there is no stage, please provide a platform that measures at least 8' deep by 12' wide.
- The first row of people should be as close to the stage as comfortably possible.
- There must not be a large gap, such as a dance floor, between Devin and his audience.
- The audience members should be sitting tightly together with no large gaps. Please make it a goal to fill every seat and either rope off or "reserve" the seats toward the back that will not be needed.
- Audience members will need easy access on and off the stage or platform.
- There should be no one sitting behind or to the immediate sides of the performance area.
- Stage should be clear of a lectern or other large items.
- Stage area should be well lit, and house lights should be dimmed.
- Please provide a stool (the kind from the bar, not the bathroom). A bottled water on the stool would be greatly appreciated.
- Have a slab of ribs or the head of a pig in the dressing room and Devin will love you forever.

THE PRESENTATION

- If there is a meal prior to Devin's presentation, all the chairs should be facing the stage and the person introducing Devin should have everyone's undivided attention before reading the introduction.
- If there is a meal prior to Devin's presentation, the meal must be finished and the wait staff out of the room before Devin is introduced. If there is a bar, please have it closed during Devin's presentation.

PHOTOGRAPHY / VIDEO

- Snapshots and flash-photography are allowed. Please notify us if you plan to video record the show. Image magnification projection is allowed and recommended.

PRODUCT

- **Product Table:** If you received approval for Devin to sell products after his presentation (books, DVDs, etc.), please provide a table marked "Devin Henderson" in an appropriate location.

DRESSING ROOM OR "GREEN ROOM"

- In some cases, but not all, Devin will need a room to chill in before the presentation. We will let you know closer to the date whether or not this will be necessary for your event.
