SPEAKER INTRO AND BIO

Introduction

(For bringing Devin to the stage)

Devin Henderson is a humorist, which means he literally has a funny way of looking at life.

Devin has won awards for his comedy and has opened for Mike Birbiglia and Sinbad, mainly because he likes to open for comedians with weird names. He has around 150 views on YouTube! And that's just sad, so please watch his YouTube videos. Devin has performed in all 50 states except Hawaii, and Alaska...and like 15 others.

Along with making us laugh, Devin's presentation is informative. He's like Dora the Explorer, only his Spanish is muy terrible. Devin teaches how humor can make work more productive and more fun.

Bio

(For pre-event promotion)

DEVIN HENDERSON, Humorist.

Devin Henderson takes humor seriously. He has a funny way of helping people use humor to perform at their best in the workplace. As an entrepreneur, father of 5, and a pain in the neck to the world's most beautiful bride, Devin's mantra is: "When life's hard, laugh harder." He shows people how humor can help them deal with change, stress, failure, difficult people, and the lint that collects on the shower floor after wearing a new pair of socks. Black socks. We're talking real problems. Devin wrote this bio himself, which is challenging and actually kind of weird.
